You only live once.

Let us help when you need to think twice.

Make decisions about your health with confidence.

With Advance Medical, the world's leading doctors consult on your condition to support you through difficult medical issues so you can make the best possible choices for your health.

A second opinion is smart.

Confirming a diagnosis and treatment may help you:

- Feel confident in your diagnosis
- Prevent a needless surgery
- Avoid missed time at work
- Save out-of-pocket costs on unnecessary care
- Verify prescription appropriateness
- Experience better health
- Find peace of mind

This is healthcare made easy.

Simply call, logon or email to connect. We collect your medical records for you! We pair you with a physician who answers your questions and gets you the best medical information and expert recommendations so you can move forward with confidence.

Get connected. Be informed. Become confident.
